Prophets of Old Were First to See Coming Of Prince of Peace

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—For centuries prophets have forecast the birth of a Christ Child, and historians have made many references to the coming of a Messiah.

These are some of the names which have been applied to Him: Immanuel, Wonderful, Counselor, Mighty God, Everlasting Father; Prince of Peace, The Lord of the

Magi Followed Star To Find Son of Mary

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—The mysticism and beauty of the Orient has mingled with the simplicity and reverence of a little town made holy by a divine occurrence.

Three sages from the East, impressive in the richness of their many-colored silks and gold insignia, walked the dusty streets of Bethlehem today and told of their journeys across desert and plain to lay rare gifts at the feet of the tiny babe.

They spoke briefly and eloquently of the prophecy: "There shall come a star out of Jacob, and a scepter shall arise out of Israel," and they described the brilliance and comet-like action of this star which had arisen in the east, and which they had followed until it halted over the Judean city.

These three Magi who bear the names of Caspar, Melchior and Belshazzar, were familiar with the Hebrew prophecies which foretold the advent of the Messiah, and had long waited for the star, they said. To prepare for the promised King of Israel, they sold their possessions and equipped a caravan.

Last night, surrounded by humble shepherds and barnyard animals, they fell to their knees and worshipped the young child with great joy, and presented him with frankincense, myrrh and gold.

When they were asked if the commonplace surroundings seemed out of keeping with Christ's significance, Melchior, this wise man, answered:

"The King we seek is not to (Continued on Page 3)

Inn Keep's Faith In Miracle Strengthens

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1.—Bewilderment marked the features today of the keeper of the little inn where Mary and Joseph sought shelter last night. But behind the bewilderment could be sensed a dawning belief.

"There was something different about her face," he said of Mary. "It was tired—but different. And when Joseph turned away leading the ass she was riding, something about him, too, made me want to call them back."

"I went to the stable this morning," he mused. "Only it didn't seem like the same stable, somehow."

'Mary Smiled At Me! Simply Clad Boy Says

NAZARETH, Dec. 25 — Beginning the Year of Our Lord 1.—A young boy—one of the band of shepherds which was visited on the hill near here last night by a heavenly host of angels who told them of the birth of the baby prophet, was a shy narrator of events transpiring at the stable when the presence of the child became known.

Roughly clad, and plainly awed by his part in the divine drama, he gave the only clear impression gained of Mary, the mother of the Holy Child. The other shepherds were too inspired, and the wise men from the East too preoccupied with the identity of the infant to notice details which the eye of a child seized upon.

"Everything seems so quiet in the stable," he replied to questions. "I noticed that even the pigeons didn't coo like they usually do."

"Did Mary or Joseph say anything to anyone?" he was asked.

The lad flushed, then confided: "Joseph asked me to help him fix the hay so it would be more comfortable, and then Mary smiled at me after she had been looking at the baby, and so I asked her if they didn't have better places in the inn. She answered, low-like: There wasn't any room for us."

"I felt sorry for her; and then she smiled again and just whispered: 'But I like it here. The inn was so noisy, and the streets are full of loud people. The animals are peaceful. You mustn't feel sorry for us.'"

"And do you know, somehow I wasn't. I still feel strange. It is as though something too wonderful to talk about has happened to me, I can't explain it. But I feel so peaceful inside."

Messiah Born Into World Torn by Internal Strife

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1.—Christ was born last night. They say he is a king. Into a world torn with strife, into a dictator-ridden country that trembles at the clashing sword of Rome, has come the ray of light so long awaited by the troubled people.

It is a far cry from the golden pillars of Solomon's temple to the crude stalls of a cattle barn.

For hundreds of years the memories and tales of the glories of ancient Jerusalem have been treasured in the hearts of a scattered race. For generations they have unrolled their papyrus scrolls and reassured themselves that one day a Redeemer of Mankind would restore their kingdom. With mighty armies He would vanquish a tyrant Caesar, and rebuild their shining city.

They thought of Him in terms of shining raiment and a golden throne; they didn't expect swaddling clothes and manger.

They could see Him proclaimed by heralds with silver trumpets; they didn't think his companions could be rough-haired oxen and sleepy-eyed goats.

They expected urns of smoldering incense, but not the aroma of a stable.

Multitudes would prostrate themselves on the ground in His presence, they believed; they didn't suppose that a harried innkeeper would suggest that the royal family sleep in the barn because all his rooms were full of taxpayers.

Some say that this baby born last night to Mary and Joseph of Nazareth couldn't possibly be the Messiah foretold in Scriptures. But there are others who remember the words of the prophet Isaiah, of Jeremiah and of Micah and with unspeakable joy hail Him as the Saviour of Israel.

The zeal of the Lord of hosts (Continued on Page 2)

Suppose That You Had Been in Arabia

Reprinted from the Arabian American Oil Company publication, The Aramco World.

Suppose, for the next few minutes, that you are a member of an Arab caravan, camped tonight beside one of the trails that crosses the desert. The sun has long since set, the stars (which have always been such guides to the Arabs) are bright, and the nighttime cold is setting in.

You pull your robe closer and are about to fall asleep when you hear the soft plodding of feet. You crawl to the tent flap and look out just in time to see a silent procession cross a dim, starlit dune.

But something puzzles you: this caravan isn't following the regular trails at all. It is cutting straight cross-country, through deep unbroken sand. That makes for hard going, and you see that the camels and men are tired.

In the dark they pass your tent: three camels, each bearing a rider swathed against cold. Obviously these men are above average importance. After them come several more camels and men. The caravan is moving west.

And then you notice something else: high over the men rides a bright star. Although you've watched the stars on many nights you have never seen this one before.

Shivering a little, you crawl back and fall asleep. In the morning you think it was a dream; yet there are the tracks in the sand.

Something of the sort did happen approximately 1960 years ago this month; and scholars have been trying to find out about it ever since. The names of the three travelers are reported to have been Casper (or Kaspier or Gaspard), Melchior and Balthasar. Where they were going is now well-known: Bethlehem. But where they came from still is hidden in the mists of time.

The Bible makes only fleeting references to the Magi, or Wise Men. The Gospels do not speak of the three Wise Men at all. St. Matthew says: "Now when Jesus was born in Bethle-

hem of Judea in the days of Herod the king, behold there came wise men from the east to Jerusalem, saying, 'Where is he that is born King of the Jews?' For we have seen his star in the east, and are come to worship him."

Thus Matthew does not say how many Wise Men there were. The tradition that there were three has generally come to be accepted; and yet in some forms the tradition says there were as many as twelve. Since the Bible is so universally read and studied, people over the intervening centuries have filled in other gaps in the Biblical information and today we feel we have a fairly clear picture of what the Wise Men looked like—and even how they dressed. After all, men have had 2,000 years in which to conjecture about them!

This much scholars know: More than 2,000 years ago historians say, the "senior citizens" among the Jewish people seem definitely to have been expecting the coming of a Messiah. Other nations must have learned of this great hope. (The foretelling is found in many Roman writings.)

When Jesus was born near Jerusalem, word was passed among the Jews and reached the Magi, in whatever country they may have been. (Some think they were in Persia.) They set forth (or were sent) to pay homage. Why they did this is interesting. Scholars long have thought that magi were astrologers or magicians. But lately, Assyrian scholars have learned that the name connoted a sacred station; the men to whom it applied were "august" or "revered." (The Bible speaks of them as kings.) They were held in the highest reverence. No major step was taken without their advice. They were servants of God; as such, it was their duty to visit the new Messiah.

So much for the Wise Men. Now: what, if anything, is known about the Star? The Three Wise Men followed a bright star that rose in the east and evidently set in the west. (Continued on Page 2)

Long-Awaited Messiah Born in Lowly Manger

Christmas issue today tells the story of Christ's birth as it might have been told if modern newspapers had been printed at that time.

Today's current news appears on inside pages. The Bethlehem story was mainly written by a member of the Scottsbluff (Nebr.) Star-Herald staff, and the dispatches are based on the story of the Christ child as it was written in the Bible.

Eyes of All Judea Turn to Bethlehem As Word Spreads

Appearance of Star Convinces Inhabitants New Baby Is Prince

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1.—The eyes of all Judea are turned with awe today upon this little town as word emanates from it that the long prophesied Messiah was born here last night.

Miraculous happenings and visitations of heavenly hosts which confounded them with radiance and divine song, lead inhabitants to believe that this is the prince of the throne of David, who Scriptures have said, will reunite the scattered tribes of Israel and reign over them as the son of God.

The appearance of a new star of great magnitude and luminousness, convinced them that it portends to the ancient prophecy.

The infant, born to Mary, a Jewish girl from Nazareth, who is the wife of Joseph, a carpenter, was first discovered by a group of shepherds who received the news of His birth from a band of angels while (Continued on Page 3)

Astrologers See Tragedy, Sorrow For Holy Babe

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1.—Great tragedy will mark the future of the child born in Bethlehem, say this country's foremost astrologers. The stars, they say, reveal:

He will be in great danger while he is still an infant, and because of an attempt upon His life, many children will be killed.

He will live to be hailed in Jerusalem, but will later be rejected and betrayed by one close to Him.

Crucifixion will be the manner of His death, and He will undergo unspeakable suffering. There are other venerable men here, who read aloud pathetic words which foretell the sufferings of the promised Messiah.

These reveal that He will be "despised and rejected of men, a man of sorrows and acquainted with grief."

Their search of the records, it is believed, will continue for many weeks, and will entail many secret conferences with not only members of their craft, but with the priesthood in the temple itself. Whether their finding will be made public in detail is not known.

The astrologers added that this preliminary report of their findings as revealed by their efforts probably would be considerably altered by further study, and indeed, might be radically altered by results of research and study.

Magi's Wisdom Is Greatest In World Declares Caspar

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1.—This is what Caspar, one of the wise men, said about their belief:

"The wisdom of the Magi is the greatest of all wisdoms on earth, because it knows its own ignorance. And that is the secret of power. We worship fire as a symbol of Him. We keep men always looking and waiting for a new sunrise, but we ourselves understand that the darkness is equal to the light and that the conflict between them will never be ended."

Great Joy Pervades City of Bethlehem

BETHLEHEM, Dec. 25 — Beginning the Year of Our Lord 1.—It is impossible to describe the feeling of great joy that pervades Bethlehem today as the coming of the long-heralded Messiah is realized by the majority of its inhabitants.

The shepherds probably experienced the most poignant sensation for it was to them that the news was first given. The little group who were guarding their flocks from foxes and wolves that still roam the hills of Palestine, speak with great wonder of last night's message from the sky.

The amazing light together with the chanting of a heavenly host has brought an incoherence to their speech; but the radiance of their faces is more impressive than any words could be.

"An angel of the Lord suddenly flashed before us, and the glory of the Lord shone all around us," one of them said.

"We were frightened but the angel said 'Have no fear. This is good news. I am bringing to you, news of great joy that is meant for all the people. Today you have a savior born in the town of David, the Lord, Messiah. And here is a proof to you: you will find a baby wrapped up and lying in a stall for cattle.'"

"Then a host of heaven's army suddenly appeared beside the angel, extolling God and saying, 'Glory to God in the highest, and on earth peace, good will toward men.'"

"Having sung this song, the angels went back to heaven, the light faded away, and all was dark as before."

"We began talking together about these strange sights and sound," the shepherd related. "We didn't stop to think what would happen to our flocks, or wait until morning, we went

Mary and Joseph Both Descendants Of Royal Line

NAZARETH, Dec. 25—Beginning the Year of Our Lord 1.—Although Mary, mother of the Saviour, and her husband, Joseph, live among the humbler folk here, where he is a carpenter, they are of the royal family of Judah and the descendants of King David.

The Jews keep exact lists of their genealogies thus explaining the present situation.

For the old prophets said that the Christ child was to be born at Bethlehem whereas Mary lives in Nazareth 50 miles distant. But when the Emperor Augustus called for the regular 10-year census he ordered Herod to register the people according to the tribe to which they belong. Mary and Joseph belonging to the family of David were required to go to Bethlehem.

Brilliant Star Presaged Secret Mystery of Birth

JERUSALEM, Dec. 25—Beginning the Year of Our Lord 1.—Eminent astronomers here admit to the appearance of a new star. They say that at infrequent periods such stars, or novae, as they term them, suddenly appear with great brilliance, are evident for a time, then fade away.

Last night's star, they explain, resulted from the conjunction of the two great planets, Jupiter and Saturn.

Dogs and Sheep Overcome by Celestial Radiance

BETHLEHEM, Dec. 25—Beginning the Year of Our Lord 1.—The shepherds' dogs and sheep were overcome also by the strange light from heaven last night, the men report.

will perform this—Isaiah 9:27. I will gather the remnants of my flock out of all countries whither I have driven them, and will bring them again to their folds. . . . and I will set up shepherds over them which shall feed them, and they shall fear no more, nor be dismayed, neither shall they be lacking, saith the Lord. Behold the day come, saith the Lord, that I will raise unto David a righteous branch, and the king shall reign and prosper, and shall execute judgment and justice in the earth. . . . And this is his name whereby he shall be called, THE LORD, OUR RIGHTEOUSNESS.—Jeremiah 23:3-6.

Now gather thyself in troops, O daughter of troops; he hath laid siege against us: They shall smite the judge of Israel with a rod upon the cheek. But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall come forth unto me one that is to be ruler of Israel; whose goings forth have been from old, from everlasting. . . . And he shall stand, and feed in the strength of the Lord, in the majesty of the name of the Lord his God; and they shall abide; for now shall he be great unto the ends of the earth.—Micah 5:1-4.

In the sixth month the Angel Gabriel was sent from God unto a city of Galilee, named Nazareth, to a virgin spoused to a man whose name was Joseph, of the house of David; and the virgin's name was Mary. And the angel came unto her, and said, Hail thou art highly favored, the Lord is with thee: blessed art thou among women. And when she saw him she was troubled at his saying, and cast in her mind what manner of salutation this should be. And the Angel said unto her: Fear not: Mary, for thus hast found favor with God.

Herod in Dread, Seeks to Delude Sages from East

a leader who will capture the imagination of a discouraged people. His reign has been a singularly unhappy one due to the pressure from Rome. The Emperor Augustus has lately accumulated foreign property and subjects through a campaign of military invasions, and controls about all in this part of the world that is worth taking. This has occupied the minds of the people, but has increased Roman extravagances. Palestine is one of these conquered countries and Herod is the King of Augustus's own choosing.

Some regard Herod's fear of a ruler who will overthrow him in a material sense as being unfounded.

They maintain that the significance of the Messiah is spiritual rather than political, and point out that he has always been prophesied as a Shepherd of Souls rather than a military deliverer.

Herod's nature, these commentators say, make it impossible for him to understand a Prince of Peace.

(Continued)

Here is what St. Matthew says: "And lo, the star, which they saw in the east, went before them, till it came and stood over where the young child was."

Learned men from generations have tried to find out more about this star—a heavenly body which was so unusual that it attracted the attention of the sages. Was it a great star far out in space that flared up suddenly? Was it a comet? Some scholars think the planets Jupiter and Saturn swung into such a position that they appeared (from the earth) to be in "conjunction" as one great star.

If the two planets had moved together this way, however, Arab tribesmen as well as sailors of various nations, who have always watched the nightly movement of stars would certainly have seen the two planets moving closer together night after night. And it is reasonable to think that early history might have chronicled not only this spectacular sight but the reason for it. And so some students discount the Jupiter-Saturn theory.

But far back in old Chinese records occur an exciting hint along about 4 B.C., the Chinese reported, a glowing evanescence appeared in the sky. What is was is not reported; the Chinese noted only the appearance of an "evanescent star." Thus from thousands of miles away comes another ancient report of a strange occurrence in the sky.

But this was in 4 B.C. Here might appear to be a serious stumbling block—until you realize that according to some computations Jesus actually may have been born between 4 and 6 B.C. According to some scholars the Christian calendar thus may be from four to six years "slow" (which would mean that the New Year now approaching would be, say, 1964 A.D. instead of 1960 A.D.)

Many people are accustomed to think that the Wise Men were present immediately after the birth of Jesus. (It's possible that some Christmas pageants,

which necessarily "telescope" the beautiful events surrounding the Nativity, lend popular support to this idea. After all the Wise Men are seen arriving at the manger bringing their gifts to the newborn Babe.) But scholars think many weeks—even months—may have elapsed.

On the way to see the Child, St. Matthew says, the Wise Men stopped off in Jerusalem to ask directions and were asked by King Herod "what time the star appeared." He told them to report back to him just where they found the Child so "that I may come and worship him also."

Arriving at the place where Jesus was, the Wise Men saw Him and His Mother, St. Matthew says, "and fell down, and worshipped Him: and when they had opened their treasures, they presented unto Him gifts; gold, and frankincense, and myrrh."

Then, suspicious, that Herod wanted to "kill the Child and warned in a dream, the Wise Men chose another route home, (skipping Herod altogether and infuriating him.)

Herod now in frustration, and being unsure of Jesus' age, ordered all babies under the age of two in and near Bethlehem destroyed. Here again is an indication that the Wise Men's visit may have come even a year or more after the Nativity. This lapse of time is represented, too in the calendars of some churches. Epiphany, the feast which celebrates the coming of the Magi, is celebrated in many churches on January 6, twelve days after Christmas. Some churchmen think each day may represent a longer period of time, possibly a week or even a month.

Myrrh is a gum resin from a tree that grows in Arabia. It forms brittle, oily yellow drops used in incense and perfume.

Christmas Seal Drive Hits \$85,000

Christmas Seal returns in San Diego county this week passed the \$85,000 mark, according to Harry L. Nunn, chairman of the 1960 campaign. This total is \$11,019.08 under campaign figures for last year at this time.

The San Diego County Tuberculosis and Health association, the local Christmas Seal Agency, uses the contributions to support medical research in tuberculosis and other chest diseases, Nunn said.

In 1163, Milan was destroyed, but not before the bodies had been saved and again removed—this time to Cologne. And there in the great Cologne Cathedral, it is claimed to this day, lie the bodies of the Three Wise Men.

be found in the palace, nor among the rich and powerful. If the light of the world and the glory of Israel had been appointed to come with earthly splendor, it must have happened long ago. For no son of Abraham will ever again rival the power which Joseph had in the palaces of Egypt or the magnificence of Solomon throned between the lions of Jerusalem. But the light for which the world is waiting is a new light, the glory that shall rise out of patient and triumphant suffering. And the kingdom which is to be established forever in a new kingdom, the royalty of unconquerable love.

An intimation of the uncertain future was voiced when he

added: "I do not know how the turbulent kings and peoples of the earth shall be brought to acknowledge the Messiah and pay homage to Him. But this I know. Those who seek Him will do well to look among the poor and the lowly, the sorrowful and the oppressed."

The men seemed little disposed to talk about returning by way of Jerusalem and encountering Herod. There is a rumor that they are making the caravan ready to go through Egypt.

Wherever they go, they are followed constantly by crowds of both adults and children, their stateliness and air of wisdom being especially interesting.

Women's Club Aid Goes to 19 Needy Families

Nineteen needy families are being cared for this Christmas, and will continue to receive help from the community through the Vogue Section of the Lemon Grove Women's Club, it was reported by Mrs. William Sayward who was appointed chairman of this welfare project by Mrs. Ralph Nelson, president of the Vogue Section.

The Lemon Grove Fire Department served as a collection and repair center for toys; the firemen, Mr. Sayward, and others worked long hours on this endeavor.

The Vogue Section received this project this year from the Lemon Grove School Board which had handled it for the past 12 years. The success of this year is expected to be continued in the years to come by the Vogue Section which is very appreciative of the co-operation of the community, Mrs. Sayward reported.

Helix High School and the Palm Avenue Junior High School sent canned goods which gave emergency food to three needy families just before Christmas.

The Vogue Section commended all who gave time and resources to this community project. The end of their club year was celebrated Tuesday evening with their annual Christmas party at the clubhouse. The husbands enjoyed a program provided for them as the guests of the occasion.

Eyes of All Judea Turn to Bethlehem As Word Spreads

(Continued)

they were tending their flocks in the lowly hills outside the city.

Descending in a blaze of heavenly glory that prostrated the little group of men and boys with amazement, the divine visitors told them not to be afraid but to go to the stable in Bethlehem, where they would find the Christ in swaddling clothes and lying in a manger.

This the shepherds did, being guided all the way by an angel. There they found the child, but recently born, with his parents and stable animals. So deep was the conviction of the angel's message upon them, that they immediately accepted him as the promised Savior, and fell upon their knees and worshipped him.

Following in quick succession the visit of the shepherds was a caravan of wise men, or Magi, from humble birthplace bearing jewels and precious gifts. To them too, this was a long-awaited event, since they are close students of astronomy, and were watching for the star. When it appeared they regarded it as the sign that the child had been born which the prophet had foretold.

While the largest part of the population here is talking of the event in tones of unsurpassed awe, and plainly regard it as a means by which they will be delivered from their Roman oppressor, there are many who are frankly skeptical. They feel that the future of Christ will come from a more significant source.

Everyone Excited

The whole atmosphere here has been one of unusual excitement for the past few days, since that was the time decreed by Augustus Caesar for all taxpayers in Judea to be registered. Many and Joseph, being of the house of David, were required to come to Bethlehem;

and although Mary was an expectant mother, and the 50-mile journey from Nazareth in Galilee was extremely arduous for her, the urgency of the order was such that they dare not say no.

From the meager details gained from keepers of public places, it appears that Joseph had failed to make any reservations for lodging. The low temperature of the winter night forced them to the stable, where they made themselves as comfortable as they could in the straw. They suffered no ill effects from the experience, however, and those who visited the

LET US ALL PRAY TOGETHER AS A FAMILY

The nightfall over Bethlehem spoke of the night of sin, failure and shame that enveloped all mankind. Human hearts, throughout the silent years, wondered if God had been grieved away from his world. A baby's cry told the world, in spite of sin, "God (is) with us."

Hansen maintains a large teaching and recital schedule.

An organist at the early age of 12 for Vista La Mesa church, Joe Allen Hansen now has been appointed choir-master-organist of St. Stephen's Episcopal church of Port Washington, New York, one of the New York City area's largest churches.

Hansen, now 21, son of Mr. and Mrs. V. R. Hansen, 8664 Washington ave., La Mesa, received his earlier musical training under local teachers including Mrs. Ethel Kennedy of La Mesa and Mrs. Florence Stephenson of San Diego.

During his studies at Helix High school he served as accompanist for the Helix choir under Mr. Robert Rue, and later organist of Wesley Methodist Church of San Diego.

He also received the young organists' scholarship from the San Diego Chapter American Guild of Organists.

Two years ago, Hansen left his studies at the University of Redlands to continue them in New York City and to become organist-choir-master of the Church of the Messiah of Paterson, N. J., and Sinai Reform Temple of Bayshore, N. Y. For the past two summers he has also served as summer organist of the musically prominent West Park Presbyterian Church of New York City.

In addition to his present duties and his continuing studies,

SUNDAY SERMON TOPIC "CHRISTIAN SCIENCE"

Proclaiming that the same light of hope and joy which guided the shepherds of old to the Christ child is again leading to the Christ, Truth, which saves and heals, the Lesson-Sermon entitled "Christian Science" will be heard Sunday in all Churches of Christ, Scientist.

The Christmas story to be read from Matthew's Gospel will include the following: "Now when Jesus was born in Bethlehem of Judaea in the days of Herod the king, behold, there came wise men from the east to Jerusalem, saying, Where is he that is born King of the Jews? for we have seen his star in the east, and are come to worship him. When they saw the star, they rejoiced with exceeding great joy" (2:1, 2, 10).

Mt. Miguel High Singers on Air Christmas Day

Mt. Miguel High School singers will be heard from 2:13 p.m. to 2:23 p.m. on KGB-F Christmas day, 1960.

The Prudential Insurance company will be presenting the 7th Annual Christmas Carousels, with more than 2,500 students representing San Diego city and county schools from kindergarten through college.

Bands, mixed choruses, male choirs, girl choirs, soloists, all with the enthusiasm and honesty of youthful expression bid to make the Christmas Carousels an unforgettable musical memory.

The Christmas Carousels is a continuous program from 10 a.m. to 4 p.m. Each participating school uses student announcers.

Each year, in co-operation with the superintendents of city and county schools, KGB, Inc., arranges to tape record special Christmas programs of selected schools and the Marine and Navy recruit centers.

authorized by the Grossmont Union High School District Board of Trustees at its regular meeting last week.

The conference to be held from July 17-21 will enable the participants to become familiar with experimental projects designed to break the uniformity characteristic of high school daily schedules whereby a student attends all classes of uniform length five days a week. The new schedules will permit organization of a student's day into longer and shorter blocks of time for different subjects as may be most appropriate to the type of instruction to be provided.

Administrators, board members and faculty representation, not to exceed four, was authorized for the Freedom Forum scheduled in San Diego on January 21 and 22. Superintendent Lewis F. Smith in recommending the attendance at the Forum indicated the schools must be alert to information from whatever source and regardless of possible bias.

The Grossmont board endorsed the formation of a separate league for the schools in the Grossmont Union High School District and authorized Superintendent Lewis F. Smith to press for this arrangement at the next meeting of the board of managers of the San Diego Section of C.I.F.

TEACHER PROMOTED IN AIR RESERVE

Capt. John W. Gregory, a science and math teacher at Palm Junior high, was recently promoted to his present rank in the Air Force Reserve. It was announced by Lt. Col. Karl R. Tuttle, commanding officer of the 9388 Air Reserve Squadron.

Capt. Gregory is a member of the El Cajon Air Reserve Squadron which is composed of reservists from El Cajon, Lemon Grove, and surrounding communities.

He and his wife Ann live with their two children at 6130 Cowles Mountain blvd., La Mesa.

L. G. SCHOOL BOARD MEETING CANCELLED

The next regular meeting of the Lemon Grove school board will be January 11.

The meeting scheduled for December 23 was cancelled when the schedule was made up earlier this year.

FUTURE LOOK AT NEW SV HIGH SCHOOL

FUTURE SCHOOL — The new high school now under construction on Sweetwater Springs blvd. in Spring Valley will look like above photo when completed. It will draw some 900 students from already overcrowded Mt. Miguel High School. It was learned from a meeting of the Board of Trustees of Grossmont Union High School district last week.

Attendance areas are not yet determined by the board, but it was stated that in general the new school will serve students from the east and southern parts of the district. Naming the school will be done by the student body as soon as it is formed from the division of the attendance areas.

The new school will be headed by Stanley McClintic as principal who will take over his duties at the beginning of the semester, and Robert Divine will be vice principal.

Purchase of part of the new school's athletic and band equipment to assist it in its first year of operation was authorized last week by the board. More like El Capitan High School in appearance than any other school in the district, it is being built to accommodate 1813 students.

PTA Meetings Set

"The Feeling of Christmas" was presented by the fourth, fifth and sixth grades of Rancho Elementary school last week. The meeting of the Rancho PTA was conducted by Samuel F. Miles, principal, and the Christmas program chairman was Blaine Johnson.

Next PTA board meeting is

set for 7:30 p.m. Jan. 5, and the next regular PTA meeting will be on Jan. 15.

NEWLY INDUCTED — Four new members of the Quill and Scroll, the international fraternity for high school journalists, take part in a pinning ceremony last week into the Mount Miguel chapter of Mount Miguel high school.

From left, Helen McCormick, Mary Barrett, Judy DeLong and David Weening look on as Lynda Epperson of the local chapter begins the ceremony by bestowing a pin upon Miss DeLong.

Miss Barrett and Miss DeLong were selected for their work on El Cuenito, the school literary magazine, and on Mil Memorias, the yearbook; Miss McCormick, for her work on El Trovador, the high school newspaper, as feature editor; and David Weening, for his work as press bureau chief in handling news releases from Mount Miguel high school.

SV Sanitation District Obeys Order of Board

Second Chlorinator, Pump, Solution Line Promised in Technical Report

SAN DIEGO (CNS) — The County Board of Supervisors acted swiftly Tuesday to show its good intentions in connection with a cease and desist order threatened against the Spring Valley Sanitation District by the Regional Water Pollution Control Board by adopting an "initial technical report" in its capacity as directors of the sanitation district.

That board on Dec. 8 ordered the sanitation district to show in 10 days its intention to comply with orders to relieve the Spring Valley and Sweetwater Valley areas of the results of the discharge of unsatisfactory effluent from the sewage treatment plant.

Jean L. Vincenz, director of public works, submitted to supervisors Tuesday a report on steps to be taken. He said that John Norgaard, of the San Francisco engineering firm of Brown and Caldwell, had already made a study of preliminary steps to increase the capacity of the existing plant.

Promised was installation of a second chlorinator and an effluent pump, addition of a chlorination solution line to the primary effluent pump, for primary filter odor control.

Possibility of establishing an oxidation pond in the Sweetwater Valley is being considered, Vincenz told Supervisors. He said an investigation is in process to find land to lease, with the first section of a line

to the Metropolitan System to be built to carry effluent from the existing plant to the oxidation pond.

In immediate proximity, Vincenz indicated, is the leasing of land for deposit of sludge to be hauled from the plant. He said this hauling could be started by next Monday. He estimated the cost of the project at \$10,000 per year, and said that this would be the least expensive way of meeting the emergency situation.

Vincenz' report was designed to get the district under the wire in time to avoid legal action. He also told Supervisors that a financial consulting firm has been hired to work on a plan to finance construction of a trunk line from Spring Valley down to the proposed Metropolitan Sewer System.

Warren Barney, aide to Vincenz, told the pollution control board on Dec. 8 that Spring Valley could finance such a line by itself, although the estimated cost is \$2,000,000. Barney said shares in the line could be sold later to other cities who might want to use it.

The pollution control board appears to agree this is the best solution of Spring Valley's problem. The board has given the district, in addition to the 10 days to show good faith, an ultimatum that it must begin work on a permanent solution by Dec. 1, 1961, and finish the project by June 1, 1962.

Navy Officer's Burial Friday

Protests Voiced By SV Residents On Sewer Rates

Services are tentatively set for Friday at the Conrad Lem on Grove Mortuary for Lt. Cdr. Clarence Sommers, U.S.N., a resident of Lemon Grove since 1946, who died Monday at the Oak Knoll hospital, Oakland, Calif. He was 43.

Burial will be in Ft. Rosecrans Military cemetery. Lt. Cdr. Sommers had moved his family to San Francisco where he had been serving. The family now plans to return to Lemon Grove, residing at 3760 Grove St.

Survivors are a wife, Mattie Bee Sommers; a daughter, Sandra; three sons, Thomas, Glenn and Stephen; parents, Mr. and Mrs. Andrew Sommers of San Bernardino; a brother, Eugene F. Sommers of Aptos, Calif.; a sister, Mrs. Alvin Miksick of Rialto, Calif.

New Subscribers' Names To Be Published Again Next Week

This newspaper's campaign for new subscribers continues. In the interest of the holiday season, the list of new subscribers, which totals more than 400, is being excluded from this issue. The total list will be run next week, and in the weeks following until the campaign is completed.

With the new list subscribers acquired on this campaign to be published next week, the total of new readers will reach circulation of the newspapers (Spring Valley Bulletin and Lemon Grove Review to nearly 9,000).

TROY - SWEETWATER STOP SIGNS MAY STAY

SAN DIEGO (CNS) — Protests against the removal of stop signs on Sweetwater avenue, at Troy st., Spring Valley, Tuesday resulted in the County Board of Supervisors asking the County Traffic Committee to make another study of the area.

The committee earlier this month recommended removal of the sign on Sweetwater avenue to end the four-way stop, on the basis that traffic on Sweetwater avenue had increased faster than that on Troy st., with the result that the four-way stop was slowing up traffic. The Board followed the recommendation.

The review was asked by the Board Tuesday as a result of a protest and petition received from a group headed by Mrs. Harold Davis, that removing the stop signs would increase traffic congestion and encourage accidents.

County Vacates Rights On Imperial Avenue Lot

SAN DIEGO (CNS) — Abandonment of the county's rights in land along the edges of Imperial ave. and Lincoln st., in the Bryant court area, Lemon Grove, was approved Friday by the County Planning Commission.

The request for the vacation was made by the Veterans of Foreign Wars post.

SAN DIEGO (CNS) — Assessments for the Spring Valley sewer project in Ybarra road and surrounding streets were approved Tuesday by the County Board of Supervisors, despite vigorous protests from a group of property owners.

The cost of the project was \$33,856, to be divided among 93 assessments. Warren Barney, chief of the engineering division of the county's public works department, told Supervisors that assessments were established on a front foot basis, at \$8.76 per front foot.

Written protests were received from Bernard F. Gates and Mr. and Mrs. John B. Strange. They also protested verbally at the commission hearing, as did Victor B. Cherniak and Naomi M. Morris.

Gates object to his assessment, in comparison with those on other properties near him, and the Stranges claimed that they were assessed for the full frontage of their property, although the sewer does not extend the full length of their and.

Cherniak said he had been promised that he would not be assessed again, and he asked Supervisors if he had to go to court to make the county live up to its promises.

The Board turned down all the permits, but Supervisor De Graff Austin told Cherniak to get together what proof he had of his statements and present them later.

L.G. SIGN REZONING REJECTED BY PLANNING COMMISSION

SAN DIEGO (CNS) — A zone change for 17 acres between Lemon Grove Freeway and Federal Boulevard to permit erection of a sign advertising Lemon Grove was turned down Friday by the County Planning Commission.

But the commission did approve a change in the zoning ordinance to permit certain types of signs in any zone, thus clearing the way for erection of the Lemon Grove sign.

At present, signs are not allowed in M type industrial zoning, and the hearing on the change for M-2 to allow the sign was held by the Commission at the request of the County Board of Supervisors. Supervisor David W. Bird asked for the board action, at the request of the Lemon Grove Chamber of Commerce.

At Friday's hearing, owners of adjacent property protested any zone change. Those who spoke in opposition included Neil H. Evans, who presented a petition with the signatures of 21 property owners against any rezoning.

SAN DIEGO (CNS) — A change in the county zoning ordinance to allow "directional or information signs of public or quasi-public nature," in any zone was approved Friday by the County

Lutheran Church Withdraws Building Application After Planning Commission Demands

SAN DIEGO (CNS) — The Lemon Grove Lutheran church's application for a special use permit for construction of a new church was withdrawn at Friday's session of the County Planning Commission.

At the previous commission meeting held Dec. 2, the staff that studied the site recommended that the permit be denied. However, the pastor of the church protested that the county's plans for widening Alton drive, taking land from the church for the purpose, were unnecessary.

Rev. H. C. Bakken told the commission that the church had already given land for the widening of Skyline drive, the other street on the intersection where the church is located. He said that a better route for a through street could be found than Alton drive, and the commission ordered its staff to investigate and report back at the next meeting.

Friday, the commission was told the application was being withdrawn. No reason was given, but it was reported after the session that the church may buy additional land to put with its present acre and a quarter, so its proposed new church won't be near any right of way on Alton drive. It was also stated that plans for early

building have been dropped to give more time for planning.

Proposed Budget Increase for 1961 Spurned by County Planning Commission

SAN DIEGO (CNS) — An economy-minded County Planning Commission Friday cold-shouldered a proposed increase in the planning department budget for the 1960-61 fiscal year.

Dr. W. H. Miller, county planning director, told the commission that two additions to the upper echelon of employees would be needed due to expanded work loads. Miller asked for permission to make up a budget based of these two additions.

"Can't we shift personnel around?" asked Warren Hooper, commission chairman. "Having just paid my tax bill, I am very aware of the cost of government. I think that all political subdivisions must become aware of the tax burden, which in some places is becoming confiscatory."

Miller said that employees could not be shifted, if the department were to meet its dead

I came on the commission," said F. O. Culy. "Have we got that much more business?"

Commissioner Stuart Green said he didn't see why more help was needed, in view of the decline in new subdivisions.

He also said that a decline of approximately 15 per cent in new subdivision maps in the last year had been offset by an increase of 15 per cent in department work on public building sites, road matters and zone problems.

The commission had taken the budget proposal up among the first items on its agenda and put off a decision until all the regular business had been cleared up.

2 Budgets To Be Prepared
A series of illustrations of work loads, in charts and graphs were presented to the

commission, but the commissioners refused to go along with approval of the two new employees.

Instead, Miller was directed to prepare two budgets for next year: One with the two employees and one without them. In addition to the increased salaries from adding two employees, other incidental boosts would be required, and the commission agreed it would give Miller another chance to present his case on Jan. 13, when two sets of budget figures are to be ready.

The county planning department in the current fiscal year is budgeted to spend approximately \$330,602. Miller and the commission asked for \$301,225, but T. M. Hegland, chief administrative officer, recommended the increase.

Owner Protests Re-Rezoning Of Rezoned Land on Campo Rd.

SAN DIEGO (CNS) — The County Planning Commission Friday backed down on a previous recommendation that zoning for single family dwellings be put on land south of Campo road, in the Lemon Grove Zoning District.

The commission recently suggested to supervisors that the zoning be changed from duplexes to single family, but Friday it had a letter from R. E. Schoeppe, vice president of the J. J. Bettes Co., blasting the action.

Schoeppe pointed out to the commission that the land it wanted rezoned is already part of a proposed subdivision, approved by the commission.

APARTMENTS OK
FOR BANCROFT-AVOCADO

SAN DIEGO (CNS) — Zoning for duplexes for about 25 acres south of Avocado street and east of Bancroft drive, was approved Friday by the County Planning Commission, after many months of delay.

Property owners sought a change from agricultural zoning, where hog ranches and dairies are allowed, but the commission delayed action to find out how the land would be developed. Friday's approval was voted when the commission

Holiday Driving
Surveillance Set

An establishment of traffic checks is being set up by the California Highway Patrol at designated points in San Diego county in an effort to stem the death and accident count that rises with the Christmas and New Years' holidays.

Firm enforcement is promised by the patrol against the drinking driver, and against those violations which in the past have proven to be the cause of the most severe accidents. The patrol again is co-operating with the Department of Alcoholic Beverage Control to work through the 15,000 on-sale establishments in the state to discourage the drink-drive combination.

4 Teenagers Charged For 10 Avocado Raids

Sheriff's Deputy W. E. Larson was instrumental in bringing about the arrest of four teenagers from Lemon Grove who were charged with stealing avocados from the grove owned by Willis G. Hodgson on Melva Drive, Mt. Helix.

The boys admitted taking the avocados when apprehended at Mt. Miguel High school last Friday. They said they had visited the grove on ten occasions and altogether filched 2,411 pounds of the fruit over the past month.

The boys were Dennis Eugene Hopkins, 17; Philip M. Kezar, 17; Bob B. Corle, 17, and Wayne LeRoy Gooch, 18—all of Lemon Grove. They said the fruit had been sold to the Provest Brothers Packing House in Lemon Grove and they had sales slips amounting to \$290.20, made out to Hopkins and Kezar.

All the boys said they were willing to make restitution in equal amounts, and Hodgson, the owner, agreed not to prosecute if the boys lived up to their promises. Young Gooch, being 18 years old, could be

The DIMMER VIEW

Cholesterol is big right now. In much the same manner that automobile manufacturers build in a condition called "planned obsolescence," we get the feeling that those charged with keeping Mrs. Patient Jones happy, keep a wary eye on each cycle, and when one starts dying out, another is conceived.

So food faddists are off on a cholesterol kick right now. David Kritchevsky, of Philadelphia, produced an ironical little verse which was published in the New England Journal of Medicine, according to the Industrial News Review.

Said Poet Kritchevsky:
Cholesterol is poisonous, so never, never eat it.
Sugar, too, may murder you. There is no way to beat it.
And fatty food may do you in; be certain to avoid it.
Some food was rich in vitamins, but processing destroyed it.
So let your life be ordered by each documented fact.
And die of malnutrition... but with arteries intact!

There has been a lot of emphasis put on the importance of the nation's gross product. It is the highest in the world but is being challenged by Russia, and more lately by Germany and Japan.

According to recently published figures, however, the United States exceeds all other nations in gross public debt. Our gross public debt exceeds that of all the other nations of the world combined.

Our election recommendation was that those who needed guidance on voting the issues should vote "no" on the junior college proposition. It aroused considerable consternation. Some of the respondents accused us of being "anti-schools," an accusation condition no one can substantiate.

The good superintendent of the Grossmont Union high school district, Mr. Lewis F. Smith, with voice aquiver, persisted in inquiring how we could take such an attitude so we finally boiled it down to a simple statement that came out "money". Mr. Smith's interest was most proper because it is the Grossmont District which sponsored, and which will operate the junior college when it is built.

Mr. Smith readily admitted that taxpayers will carry a heavier burden as a result the junior college and he had not tried to hide that fact anywhere along the campaign line. Voters, who passed the issue by an easy margin, apparently knew that the cost involved would be considerable, but they deemed the junior college a vital need.

Now comes a tract from the California State Scholarship Commission with the title "A Statement on State Scholarships." In the opening paragraph, the Commission explains that the 1955 Legislature had established the State Scholarship Program to aid able students in need of financial assistance... and to divert students from public institutions... to independent colleges and universities. The next statement seems to corroborate the position we took at election time. It reads, "The Legislature recognized that the costs of scholarships to independent colleges are less than the costs of educating students at public universities, and that there is a resultant savings to taxpayers to the extent that students are diverted."

The die is cast in Grossmont Junior College District. There'll be a public junior college here. There is no question about the need for more colleges. The question is, as it was before, why should it cost more to operate a public college?

NEW HIGH PRIEST—
Taking office as High Priest of George Burnham chapter of No. 152 Royal Arch Masons at its installation ceremonies, Wednesday Dec. 28, will be Travis C. Dickson, 9038 Jamacha road, Spring Valley. The rites which are open to the public will begin at 8 p.m. at the Chula Vista Masonic Temple, 723 3rd ave., Chula Vista.

To be installed with Dickson are 18 other officers. Outgoing high priest is Charles McGee. A reception is scheduled to follow the ceremonies in the banquet room of the temple.

Two Former Matadors Go Big at Oceanside-Carlsbad

Two former Matadors wound up this season at Oceanside-Carlsbad college with notable performances.

Dave Enos, son of Mr. and Mrs. H. R. Graham, 8135 Lincoln st., Lemon Grove who graduated from Mt. Miguel this year is halfback for the Oceanside-Carlsbad 11. He played an important part in the Spartans 34-14 Alfalfa Bowl triumph Thanksgiving Day and also in the O-CC 7-3 season.

Enos scored the first touchdown of the game on the third play from scrimmage when he took a pass from quarterback Don Shepard, although covered tightly by two men, and sprinted 50 yards.

Primarily used for blocking assignments because of his speed (9.9 clocking in high school), Enos carried the ball this season 24 times for 167 yards and a 6.9 average. In addition, he caught 5 passes for 33 yards.

anybody," comments Coach Corcoran.

Hesel returns next year and hopes to weigh 235 lbs. and play tackle all year. With Hesel and other veterans back at almost every position, the O-CC Spartans should improve on their good 7-3 record.

2 Matadors On All-CIF, 6 on Metro

Mount Miguel high school placed two of its gridgers on the All-CIF-San Diego Section second team, and six on 1960 All-South Metropolitan League football teams, according to a release from the Breitbard Athletic Foundation.

Selected were Ken Clark, guard, and Duane Freeman, halfback, from the Matador eleven. Unanimous choice as the player of the year was Doug Bennett, Escondido high school quarterback.

One other player from Mount Miguel, Ross Torge, back, gained honorable mention in the CIF selection.

Named to the All-South Metro offensive team were Bob Steckman, tackle; Ken Clark, guard, and Ross Torge, back; on the defensive team, Duane Freeman, end; Bill Stevens, tackle; and John McQuaide, center.

Doug Wardell, Matador quarterback, received honorable mention.

Pony League Names Officers For 1961

New officers who will serve the Lemon Grove-Spring Valley Pony league for 1961 have been elected as follows: president, Ed Baird; vice president, Roy Haas; secretary, Jan Sullivan; treasurer, Roy Williams; play-ers agent, Charles Cobb; equipment chairman, Art Johnson and board members at large, Chris Glover and George Spencer.

The first general meeting of 1961 is scheduled at 7:30 p.m., Jan. 17 in the Spring Valley Elementary school. Door prizes will be awarded.

All parents interested in having sons play Pony league baseball are urged to attend this meeting says President Baird. Registration fee for the 1961 season will be \$7 per family. Forms soon will be available for prospective managers and coaches.

Pony league registration will open Feb. 21 and continue to March 25. All boys must attend at least two tryouts. All boys intending to register must present a birth certificate or other papers of proof of birth.

Santa Anita Track Opening Ready

Beautiful Santa Anita Park has scheduled a half-hour earlier start than usual for its banner opening on the holiday Monday, Dec. 26, to usher in its "Traditions of the Turf" winter racing season that will extend 55 days through March 11. Opening the gates at 10:30 a.m. and starting the first of eight races at 12:30 p.m. are designed to facilitate the busy Christmas holiday. Featuring the traditional sprint the \$20,000 Palos Verdes Handicap, always has proven particularly attractive.

As a stunt, enterprising makers of chicken crates placed enough crates under the tires of a highway freight truck to support the entire unit. The weight (about seven tons) was so evenly distributed that not one crate was damaged.

Strip Rezone Hearing Slated

SAN DIEGO (CNS)—A public hearing on a zone change for a five-block strip of land in Lemon Grove, with a width of only two and a half to ten feet, was ordered Friday by the County Planning Commission.

No date was set for the hearing, but commissioners were told the strip is on the south side of Broadway, between Citrus street and Buena Vista avenue.

The land adjacent to the strip is zoned for heavy commercial use. The land to be rezoned to the same C-2 is in the same ownership. It is now zoned for apartment houses or for light commercial use, and the change is to make the C-2 extend to

SO. SV LIBRARY SITE KEPT OPEN

SAN DIEGO (CNS)—Location of a county library to serve the South Spring Valley is going to be held up to allow residents of the area to select a site.

This was decided by the County Board of Supervisors upon the recommendation of Frances Hahn, county librarian, at its recent meeting.

Miss Hahn said that a proposal to build a library at the intersection of Jamacha and Elkton sts. had been made by a group headed by Mrs. John E. Pevely, but that the same group was now willing to wait for the outcome of a community-wide meeting.

SNIP — The ribbon is cut and Lemon Grove's newest major business venture is opened. Ross Burriston, president of Boldrick's Fine Shoes is the ribbon snipper. The new store is Burriston's Fine Shoes at Broadway and Grove streets. Holding the ribbon is Derek A. Mor-

ris, manager of the store, Bill Evelith, merchandise manager and H. R. Vogt, the firm's general manager. In addition to Boldrick's downtown store the firm also operates stores in La Jolla and Coronado.

The Mail Box

Dear Editor:

The Spring Valley Welfare Society wishes to express special thanks to the people in our community who have so graciously donated time, money, and materials needed to make the Christmas baskets for the large number of needy families in our community.

We thank the churches, clubs, schools, etc., for money for utility bills, rent, food, clothes and other needs.

Appreciation goes to Mt. Miguel H. S. for money for meat and canned goods; Spring Valley Jr. H. for gifts to teenagers; Avondale Elementary for new toys; Bancroft for staples; Casa de Oro for money for meats; Rancho for potatoes, vegetables and fruits; Spring Valley Elementary for underwear and

socks. Thanks to the many women that have neglected their own work to see that others not so fortunate do not want this Christmas. Everyone has been wonderful!

Plans are being made at this time for a Charity Ball in the near future.

News of Spring Valley Estates, Mt. Miguel Terrace and La Presa by Elaine Horowitz

Lee Merritt has joined his wife, Sydney, on the list of mumps sufferers. Now, this is what I call "togetherness." Hope you're both well soon, as Avondale needs you.

Mrs. Frances Burley, a 5th grade teacher at Avondale, is on the road to recovery after an illness. We were happy to learn she will be back with her class after the holidays.

FESTIVE WEEK

Christmas celebrating began Monday evening with Boy Scout troop 357's party held at Rancho.

Tuesday, Avondale's PTA meeting featured a Christmas program starring 5th and 6th grade students with Brownie troop 151 presenting the colors.

Wednesday being the last day of school, parties were held in classrooms. At Avondale Santa Claus visited the rooms and gave out candy canes, a gift from the PTA.

Thursday Mrs. Meglich is giving a party for her Brownie group and their mothers, and Avondale PTA's carolers will be serenading the neighborhood.

JR. SAFETY PATROL

Members of the Junior Safety Patrol from this area joined those of San Diego at Camp Mathews last Saturday for a day they will long remember.

They observed drills, target practice and ate in the mess hall.

CUB SCOUTS

The Christmas Pack meeting of Cub Scout Pack 47 was held Friday with all the dens displaying handmade gifts.

Ways and means chairman Hank Bauer announced Casey Cole the winner of the first aid kit sale. Cubmaster Leonard Hayes said inspection of the pack will be held in January.

The following awards were made to Tim Loveland, Den Chief cord; John Woodward, gold arrow; Gary Bobo, silver arrow; James Trammel, two-year pin; Joseph Nedza, one-year pin; Bruce Larsen, Bear badge and one-year pin; Roger Barnett, Lion badge and gold arrow; Casey Cole, gold arrow; Mike Bauer, Lion badge; Kenny Kimzey, Bear badge; Fred Blocker, silver arrow; Raymond Perk, Wolf badge; Hank Bauer, three-year pin. Guy Kimzey advanced to Webelos.

Cubmaster Hayes welcomed Chuck Downing and Pete Miller into the Pack. Kenny Hayes and Loren Miller graduated into Scouts and were welcomed into Troop 47 by Assistant Scoutmaster Leo Horak.

Institutional representative, J. C. Danner, presented the Pack with a new 50-star American flag, and Mrs. Alice Moeller was introduced as the new Den Mother of Den 2.

A skit, "Christmas in Other Lands" was presented by Den 3. Dens 2, 3, 4 and 8 received the den honor flag and Den 2 won the pack honor flag.

Cubs put new sox on the Christmas tree; the sox, along with candy will be presented to the San Diego Children's Home.

Santa Claus arrived to present gifts to the cubs and their brothers and sisters. Also given sox were Committee Chairman Barnett, Ways and Means Chairman Bauer, Awards Chairman Ziegler, and Cubmaster Hayes.

Child's Plight Points Up UF Need

The Christmas season, the season of giving, is often one of the most neglected times of year for contributions to many of the services grouped under the United Fund, as persons in the press of other giving tend to forget that help for needy ones never stops.

This concerns one of our younger Lemon Grove residents in a direct way. He is two-year-old Michael Norton, son of Mr. and Mrs. Duane Norton of 7440 Central avenue.

Mike has been born with cerebral palsy and will not be able to hold and play with his toys at Christmas as other children will do. He will do as he does now—sit in a wheel chair and smile as he sees other children playing.

Thanks to the generosity of many San Diego persons, says Mrs. Norton who serves on the board of directors of the United Cerebral Palsy Foundation of San Diego County, Mike and many other children receive help through the United Fund from a pre-nursery school, located at 851 S. 35th St., San Diego. Because of the lack of facilities many children only receive two hours of therapy a week, until they are old enough to enter Sunshine School.

Each day Mike and children like him receive six hours of group activities, individual therapy and care from several devoted people. There is always a waiting list because there are more children than there are existing facilities.

Mrs. Norton is president of the pre-nursery parent group, and her husband participates by helping to build and maintain equipment for the nursery.

When you hear of the United Fund's needs, think of Mike and the thousands of dollars it takes each year to provide the help he and other children need. Such an organization as

the U.C.P.F. needs support with many parents volunteering their services at no pay. Other parents with afflicted children (such as Mike) are urged to call the U.C.P.F. headquarters,

LETTERS TO SANTA

Dear Santa Claus:

I have been a good boy and will continue to be a good boy. Will you please bring me some puzzles for Christmas? I would also like a gun, cash register, scooter, skates, table and chairs, modeling clay and toy store.

High Schools To Begin Study Of Gifted Ones

Study of the program for gifted students in the Grossmont Union High School District is continuing under the newly organized Grossmont District Gifted and Honors Council. Representatives from each school meet regularly to discuss such questions as what kind of students is meant by the term "gifted pupil," the minimum economic needs to support a program for such pupils, and how students in an honors program should be graded.

Organizing the Council is Dr. Leon Lessinger, chief of curricular services. Council will consist of people from many phases of the school organization. Robert Danielson, English teacher, Paul Clark, math teacher, and John Barrons, counselor, represent El Cajon High School. Mrs. Anona Mayfield, counselor, is the El Cajon Valley High representative. Granite Hills High is represented by Joyce Ramsey, Waldo Riches, and Duane Bonwell who teach English, math, and social studies, respectively. Mt. Miguel's representatives are Charles Mosse, counselor, and Claire Tremaine, English teacher. Principal Benton Hart and social studies teacher Charles Feaser are the Helix members of the Council. Grossmont's members are Ed Kintzele, in science, and Ernestine Klerkoper, in social studies.

The Council has considered the need for the development of suitable measures for students with more talent than present tests can measure. Efforts will be made to find such tests and to create them where they are not available. Outlines for honors courses do not exist at the present time in any standardized form, and the Council also hopes to provide leadership in the development of such plans.

Grable Wins Boy Scouts' Top Honors

Recipient of one of Scouting's highest honors is D. R. Grable, a veteran Scout leader of the San Diego Boy Scout council. He has been presented the Silver Antelope Award for distinguished service to boyhood in Region 12 of the Boy Scouts of America, which covers California, Arizona, Utah, Nevada, Hawaii and Southwest Wyoming.

Grable resides at 9645 Alto Drive in La Mesa and is a cantor in East San Diego.

He was among six men throughout Region 12 to receive the award at the recent Regional annual meeting in Sacramento.

Other members of the San Diego County Council honored at the meeting were Dr. Lester Bond of 4196 Rochester Road, San Diego, and J. Harvey Chambers of 3199 Quailtrough street, San Diego.

Dr. Bond was recognized as one of 34 men in the United States with 50 years of service in the Boy Scouts of America and Chambers, president of the San Diego County Council, was elected to the Region 12 executive committee.

Grable is a member of the executive board of the San Diego County Council and the Regional committee. He is past president of the Council and has also served as a Scoutmaster and troop committeeman.
